Dear Mr Newbold

Thank you for your letter received 15th October 2010.

Family Practice UK made me aware yesterday that the Children's Centre did not have the room booked for Monday. I subsequently spoke to the Children's Centre yesterday afternoon and booked the room on Monday from 9.00 to 11.00. It would appear that the information previously provided to me was not correct hence the initial change of contact times. I have been waiting for Family Practice UK to get back to me to confirm whether Jessica was free to supervise between 9.00 and 11.00 and can now confirm that she is able to. Therefore the following arrangements are in place:

Monday 18th October 2010 - Chiltern Drive, Children's Centre - 9.00 - 11.00 - supervised by Jessica.

Re the items in the attached photograph - I can confirm that I was shown all these items when I first start working with Emily and can confirm that they are in the foster placement.

I am pleased to hear that you feel contact is going well between Emily, you and your mother.

Thank you for confirming that the phone contact details are acceptable; I shall accordingly send your letter to Andrea Weddell for her information.

Yours sincerely
