Dear Madam,

RE: Birthday Plans, Telephone Contact, Contact with Emily, Contact with Lauren, Christmas Plans.

I am writing to you following our liaison meeting Tuesday 19th October 2010. Thank you for agreeing to allow Contact to be observed in the Elphinstone Family Centre.

I was very surprised with your view that Emily needs no further movement towards "Best Contact" or increase in Contact as indicated by RH Judge Hollis, especially when Emily is repeatedly very vocal about seeing more of her daddy!

Plans for Emily's Birthday are nearly finished I have bought Emily a new bike so that she can ride it in the park on the days you allow us this latitude. I have also bought her a Baby Annabel toy that I hope to let her have at the temporary foster placement. Obviously the bike is too big to bring with her from her temporary foster placement so I intend to keep it and bring it into Contact. I hope she will bring the Baby Annabel into Contact with her so that we can see her play with it too.

Emily is clearly expressing to me during Contact that she wants to stay with me and today stopped us leaving the park stating "she wanted to stay with me". It was 5 mins before I could get her to go off to nursery.

We found some Chestnuts in the park and Emily was able to take them to Show and Tell in nursery.

Emily has also told me in Contact that Lauren had been taken somewhere by you today I hope she is well. I would be grateful if you be so kind to let me know some details about this?

The Contact book has disappeared this Thursday so no comments could be entered into the book.

It was my understanding that telephone contact should have been initiated on Wednesday 20th October 2010. It seems I had no call from the Temporary Foster Carers, which I was expecting. As telephone contact has still not been instigated, I can again provide you with my number for this 07857319463. Please ensure your number is not withheld as any call withheld on this number is rejected automatically by my phone service and will not get through to my phone. I hope you will attempt to re-instate this on Wednesday next week?

It is my understanding that Elphinstone Children Centre has indicated that Contact should be commenced with Lauren. It would be grateful if I could have your views on this as currently Contact has been restricted by you for some 18 months.

I believe that we also need to start making some plans for Emily about Christmas. Clearly I would like Emily to come for Christmas day at my mums but currently believe that you will not agree to this even though it is in Emily's interest to have best contact with her extended family. Ms Jessica Cain has told me that she is available to supervise on Christmas Eve and/or on Boxing Day.

I hope by bringing these matters to your attention early, that a decision can be made which is agreeable by both parties.

I want to repeat to you I have not harmed my children in any way despite your evidence taken largely from the children's deceased mother and a distraught conditioned child. You should also remember that my children were placed in care by the children's mother not by their father.

Yours Sincerely
Martin Newbold
